Demonstration for Haiti

Outside the United States Embassy, 24, Grosvenor Square, London SW1A 1AE. Wednesday 24th March, 2010, 2.00-7.00pm

Did you know that the French Government extorted 150 million gold francs from Haiti just because they were bold enough to obtain freedom and independence from France in 1804? Did you know that the US invaded and occupied Haiti from 1915-1934 extorting Haiti's wealth throughout?

We demand immediate reparations for the people of Haiti.

Since the recent earthquake that occurred in Haiti on 12th January, 2010, did you know that the United States had used humanitarian aid as an excuse to put Haiti under military occupation?

We demand an immediate end of this military occupation and increased genuine humanitarian aid for the Haitian people.

Did you know that hundreds of Haitian children have gone missing since the earthquake? The 10 Americans who were recently arrested and have been let off for kidnapping Haitian children are just the tip of the iceberg!

We demand an immediate end of the kidnappings of innocent Haitian children.
