Greetings Galaxy Management,

**Reference: Suspension of Brother Omowale  
PASCf Letter to Galaxy Management of 7<sup>th</sup> November 2009**

We, the Pan Afrikan Society Community Forum (PASCf), write to reiterate our request to the Galaxy management for an urgent face-to-face meeting to discuss the above issues. The contentious escalation of these matters by the suspension of Brother Omowale concerns us, and we are seeking Brother Omowale's immediate reinstatement so that programming benefits are restored and safeguarded to our community.

PASCf sees the action of suspending Brother Omowale as heavy-handed and we believe that this does not serve the interest of the Galaxy Family ~ community, presenters and Galaxy management itself. Whilst these issues might be perceived as difficult we cannot shy away from addressing them. Working through these concerns has the potential to establish a framework for resolution, deepen our working collaboration and consequentially intensify our unity.

We see these matters as beyond Brother Omowale and we sincerely believe that Galaxy's management are committed to securing an amiable way forward in the determination to preserve the benefits of Galaxy's broadcasts to our community as a whole. We are in full support of Galaxy's remit of de-brainwashing and we believe that we must draw upon our broader collective objectives of, Afrikan self-determination, as our overriding focus.

Brother Omowale has informed PASCf that he remains positively and keenly willing to continue participating in the Sunday Interactive Show and the Pan-Afrikan People's Phone-in. We ask that Galaxy management endorses this by ~ Lifting the suspension of Brother Omowale Now!

What do we want:

We seek too minimise ambiguity and misunderstandings at our face-to-face meeting and to this end we urge Galaxy to facilitate us towards a productive meeting by providing the following:
