The products are 100% organic, made with natural herbs from the Caribbean. They range from tonics, juices and oils to teas and creams. The Eden Herbs range is the brainchild of Dr Gilbertha St Rose, a medical doctor, dermatologist and herbalist who develops and markets the products from her base in St Lucia. Eden Herbs are available for sale every Friday evening at the PASCf workshops. Alternatively, to make an order contact: Sister Jackie - 07947 151530 or Sista C - 07957 663260.
